## AFFIDAVIT

I, Brad M. Dorman, having been duly sworn, depose and state:

1. I am a United States Postal Inspector, having been so employed since August 17, 2017. I am presently assigned to the Cincinnati Field Office, Pittsburgh Division of the United States Postal Inspection Service ("USPIS") with investigative responsibility for southwest Ohio and northern Kentucky. Part of my investigative responsibility involves the use of the United States Mail in the illegal transporting of narcotics and other dangerous controlled substances and financial proceeds relating thereto.
2. I completed United States Postal Inspection Service Basic Training in November 2017. The training involved narcotic investigation techniques, chemical field tests and training in the detection and identification of controlled substances being transported in the United States Mail. In addition to this formal training, I have worked since November 2017 with various federal, state and local law enforcement agencies in the investigation of the transportation of illegal drugs and their identification.
3. This Affidavit is made in support of a search warrant for the following property, namely the package associated with the following United States Postal Service ("USPS") Priority Mail, Tracking Number:

a. **9405 5368 9523 2358 3765 91** (the "**Subject Package**")

This Affidavit is made in support of a warrant to search the **Subject Package** for evidence of a crime as well as contraband, fruits of a crime or other items illegally possessed in relation to the following offense:

- a. Possession with Intent to Distribute Controlled Substances, in violation of Title 21, United States Code, § 841.

Because this Affidavit is submitted in support of the application of the United States to search the **Subject Package**, it does not include every fact known concerning this investigation. I have set forth facts and circumstances that I have relied upon to establish probable cause to justify the issuance of a warrant to search the **Subject Package**. The **Subject Package** is currently being held at the United States Post Office in Oxford, OH.

4. Based on my training and experience, I have become aware that drug traffickers frequently use Priority Mail Express and/or Priority Mail, services offered by the USPS, to transport narcotics and other dangerous controlled substances. As a result of investigations and successful controlled substance prosecutions where Priority Mail Express and/or Priority Mail were used, I have learned of certain characteristics associated with other Priority Mail Express and/or Priority Mail items previously identified as containing narcotics or other dangerous controlled substances. Some of these characteristics include (but are not necessarily limited to or used on every occasion): false or non-existent return address, addressee is not known to receive mail at

the listed delivery address, the package is heavily taped, the package is mailed from a known drug source location, labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanating from the package, and the listed address is located in an area of known or suspected drug activity.

5. On or about September 16, 2021, The **Subject Package** was identified and intercepted at the Leasing Office of Hawks Landing Apartments, 5262 Brown Road, Oxford, OH 45056.

The **Subject Package** is further described as:

**Priority Mail, Tracking Number:** 9405 5368 9523 2358 3765 91  
Weighing approximately 3 pounds and 10 ounces and postage paid was \$6.68.

**Sender:** BIRD ROCK COFFEE ROASTERS  
5627 LA JOLLA BLVD  
LA JOLLA, CA 92037

**Addressee:** CAMERON MOORE  
5262 BROWN RD APT 1041  
OXFORD OH 45056-9818

8. I observed the **Subject Package** and reviewed USPS tracking information, which indicated it was mailed from the Pacific Beach Post Office, San Diego, CA 92109 on September 14, 2021.
9. I searched the CLEAR database for the listed return address of the **Subject Package**. CLEAR is an investigative platform available exclusively to law enforcement and other government investigators that contains public-record data about people and businesses. The information obtained from the system indicated that there is a BIRD ROCK COFFEE ROASTERS associated with that address.
10. I searched the CLEAR database for the listed addressee of the **Subject Package**. The information obtained from the system indicated that there is no CAMERON MOORE associated with that address.
11. On or about September 16, 2021, I arranged for Deputy Rhoades, Butler County Sheriff's Office, to utilize a narcotics canine to check the **Subject Package**. Deputy Rhoades and his canine "Kaiser" are a currently certified narcotics team. The team is certified by the Ohio Peace Officer Training Commission and the Ohio Office of the Attorney General. Sergeant Lange reports that "Kaiser" passed all of his examinations and has successfully located hidden drugs in the past; I therefore consider "Kaiser" to be reliable. Deputy Rhoades responded to the Oxford Post Office, where the **Subject Package** was placed in a controlled environment with several other similar packages and presented to "Kaiser", who alerted positively to the presence or odor of a controlled substance upon the **Subject Package**. Attached to this Affidavit, and incorporated by reference, is a photocopy of the

narcotic canine handler's record of examination.

12. Based upon my experience and training, this information, along with the positive alert of narcotic canine "Kaiser," is indicative of the **Subject Package** containing narcotics or proceeds relating thereof.
13. Based upon the information contained in this Affidavit, I believe that there is probable cause to believe that the **Subject Package** will contain evidence and/or contraband, fruits of crime, or other items illegally possessed. Therefore, a search warrant to open the **Subject Package** is requested.

Respectfully submitted,

Brad M. Dorman  
U.S. Postal Inspector
